

2021 באוקטובר 5-4
אקספו תל אביב

DAY 1 - OCTOBER 4, 2021

07:00 08:00						S1- Cardiac Surgery Residents		
08:00 08:30	Visit Exhibition and Posters							
08:30 10:00	S2- Interventions for Structural Heart Diseases - in Memory of Prof. Uri Rosenschein	S3- CIED and Extractions	S4- Heart Failure from Hospital to Community	S5- Kellerman Award Competition	S6- Ami Cohen Award Competition and Cardiovascular Surgery 1	S7- Rehabilitation / CV Pharmacology	S8- Joint Session; Valvular Diseases - Into the Future and ISCTS	
10:00 10:30	Coffee Break, Visit Exhibition and Posters							
10:30 12:30	<p>Plenary Session I - Opening Ceremony Awards of the Israel Heart Society Henry Neufeld Awards Neufeld Memorial Lecture: Arrhythmogenic cardiomyopathy: Insights and challenges for the clinician William J. McKenna, University College London, UK Keynote Lecture: The pursuit of excellence in cardiovascular care Tirone E. David, University of Toronto, Canada</p>							
12:30 14:30	Lunch Break, Visit Exhibition and Posters	Israel Society of Cardiothoracic Surgery General Assembly	LS1- Lunch Session: Abbott Laboratories	LS2- Lunch Session: Boehringer Ingelheim Israel LTD SGLT2 inhibition in heart failure: optimizing patient benefit in clinical practice	LS3- Lunch Session: Novartis Israel Bending the curve of life- New era in Hypercholesterolemia management	LS4- Lunch Session: Pfizer Pharmaceuticals Israel		
14:30 15:50	<p>Plenary Session II – Joint Session: European Society of Cardiology (ESC) - Israel Heart Society (IHS) TBA Silvia Priori, Vice President, European Society of Cardiology, Italy CT imaging in the context of TAVI Stephan Achenbach, President, European Society of Cardiology, Germany Imaging to assess chest pain in view of THE ISCHEMIA TRIAL and NEW ESC GUIDELINES Jeroen J. Bax, Past President, European Society of Cardiology, The Netherlands Cardiogenic shock: Current Treatment Options Holger Thiele, University of Leipzig, Germany</p>							
15:50 16:15	Coffee Break, Visit Exhibition and Posters							
16:15 17:45	S9- Recent Advances in Coronary Interventions	S10- Acute Coronary Syndrome	S11- Joint Session: Advances in Advanced Heart Failure and ISCTS	S12- Echocardiography - from Technique to Clinical Skill	S13- New Frontiers in Cardiovascular Science 1	S14- Cardio Oncology	S15- Outstanding Abstract Award Competition in Memory of Dr. Oren Zusman	S16- Joint Session of the WG on Electrophysiology and the ISCTS

2021 באוקטובר 5-4
אקספו תל אביב

DAY 2 - OCTOBER 5, 2021

08:00 08:30	Visit Exhibition and Posters							
08:30 10:00		S17 - Joint Session of the Society of Cardiothoracic Surgery and the Working Group for Interventional Cardiology	S18 - Arrhythmias and Ablations	S19- Session of the IHS WG on Epidemiology and Cardiovascular Prevention	S20- Cardiovascular Imaging	S21- Cardiovascular Surgery 2	S22- Intensive Cardiac Care	S23- Myocardial and Pericardial Diseases with Focus on COVID-19
10:00 10:30	Coffee Break, Visit Exhibition and Posters							
10:30 12:30	<p>Plenary Session III – Second Ceremony & Joint Session: American College of Cardiology (ACC) - Israel Heart Society (IHS) Joint Session: American College of Cardiology (ACC)- Israel Heart Society (IHS) PCSK9 Inhibition after Acute Coronary Syndrome: Who benefits most from treatment? Gregory Schwartz, VA Medical Center & University of Colorado, USA Treating the Remodeling Ventricle and Adapting Valve in Secondary MR Robert A. Levine, Harvard Medical School, USA Surgical Mitral Valve Repair: The Gold Standard Marc Gillinov, Cleveland Clinic, USA</p>							
12:30 14:30	Lunch Break, Visit Exhibition and Posters			LS5- Lunch Session: Bayer Israel	LS6- Lunch Session: Medtronic	LS7- Lunch Session: Medison	LS8- Lunch Session: Novo Nordisk New insights on CV risk reduction in T2D- the role of GLP-1 RA	LS9- Lunch Session: AstraZeneca (Israel) SGLT2 inhibition in heart failure: Recalculating the HFrEF treatment paradigm
14:30 15:50	<p>Plenary Session IV - Joint Session: American Heart Association (AHA) - Israel Heart Society (IHS) Peripartum Cardiomyopathy- a Global Disease Karen Sliwa, Past President, World Heart Federation, South Africa TBA Donal M. Lloyd-Jones, President, Elect American Heart Association (AHA), USA Tricuspid Interventions Robert J. Siegel, Cedars-Sinai Medical Center, UCLA, USA TBA Tal Dvir, Tel Aviv University, Israel</p>							
15:50 16:15	Coffee Break, Visit Exhibition and Posters							
16:15 17:45	S24- Advances in Interventional Cardiology	S25- Sport Cardiology Forum Session STATE of the ART in Challenging Issues: From Bench to Practice	S26- Research in Echocardiography and Valvular Diseases in the Spotlight	S27- New Frontiers in Cardiovascular Science 2	S28- Clinical Cases (Fellows/Young Cardiologists)	S29- Para-Medical Session	S30- Rehabilitation / CV Pharmacology	S31- Women in Cardiology
18:00	Israel Heart Society General Assembly
